The University of Alaska Board of Regents is the governing body responsible for the university policy and management through the president. Regents are appointed by the governor for eight-year terms, subject to legislative confirmation.

A student regent is appointed for two years from candidates nominated on each campus. (Regents' term of office shown in parentheses.)

Board members Bob Martin of Juneau, Pat Jacobson of Kodiak, Tim Brady of Anchorage and Mike Snowden of Sitka discuss the budget and other challenging issues at the September Board of Regents' meeting at UAA.
