STUDENT ACCIDENT INSURANCE ELECTION/REJECTION

The	(department name) recommends
that students obtain accident insurance to cover injuries that migh	at be sustained while involved in a
University sponsored, supervised and scheduled field trip, activity	y, internship, technology or physical
education class. If students do not already possess insurance cover	erage through their employment,
parent's policy or other insurance purchased by the student such a	as UA student health insurance, it is
recommended that students purchase accident insurance through	the UA System Office of Risk
Services. Information about the UA Student Accident Insurance	can be found at:
